Room Descriptions

Lobby - Our newly renovated front lobby is perfect for cocktail parties and welcome receptions. The lobby can be combined with the Atrium at a discounted rate to create a unique and memorable event space.

The Dino Den - This multi-use space is located just off the lobby and is perfect for meetings, training classes, and small parties. With a small kitchenette, a built-in projector screen, and a 60" bluetooth television, this room has your needs covered.

Atrium - The Atrium is the largest event space on our main floor, complete with our roaring dinosaur, the Bisti Beast, and new skylights to brighten up that dance floor. This space is truly unique and is perfect for any celebration!

Sandia Room & Deck - Located on the second floor of the museum between exhibits, the floor-to-ceiling windows offer a breathtaking view of the Sandia Mountains that is unbeatable! This room is flexible and can be utilized for a variety of event types and setups.

STEM Hall & Lobby - With its separate entrance and lobby area, this private space feels like your own wing of the museum. This room can accommodate a variety of events, from small parties to classes to lectures. Featuring 114 pull-out chairs, built-in televisions, cameras, a projector system and screen, as well as a kitchenette to serve all your catering needs.

Observatory Room & Deck - Located next to the Planetarium and the Observatory telescope, this distinctive yet singular space is perfect for an event to match. Featuring a curved brick wall, glass block windows, and a view overlooking Tiguex Park.

Planetarium - Featuring a 55', full-dome theater with 149 seats, a small stage, and a spotlight. Perfect for weddings, lectures, training classes, and many other unique opportunities. Also a great spot for an engagement!

Dynatheater - Featuring a 5-story screen, state-of-the-art projection system, and 270 stadium-styles seats. Perfect for large events, a corporate retreat, or for a 3D movie to be shown at your event!
